

Hi Alyssa,

This is my Region 6 Assembly Spring Assembly report for CTIG June 2015.

Thank you for allowing me to again represent CTIG at the Region 6 Spring Assembly in Albany, NY, April 18, 2015.

Out of 38 intergroups in Region 6, 26 had representatives in attendance.

There were 4 motions on the floor and all passed. All were "By-Law" related. Motions 1, 3, & 4 changed the name of the newsletter to Website and Publications committee. The 2nd motion changed the wording to temporarily replace committee chairs who are not in attendance at the Region 6 assembly whose term has not yet expired.

My committee participation has been chairperson of the Young People in OA committee for Fall 2014 and Spring 2015. Our goal is to have every Intergroup in Region 6 to either have a committee established to form a Young Peoples meeting or already have a meeting started. A survey is in process at this time to evaluate how each intergroup is doing. We have neither scenario in place.

Respectfully submitted,
Robin L, Co-Chair, CTIG
